

Sept. 15, 2015

Ms. Kimberly Pinhey, Principal
Parkside High School
1015 Beaglin Park Drive
Salisbury, MD 21804

Dear Principal Pinhey,

As Founder and President of Y Bicycle Association I am inviting all students of your school to participate in the **1st Annual Mid-Atlantic High School Bicycle Design Competition** to be held in Rehoboth Beach, Delaware the weekend of February 19-21, 2016.

The bicycle design competition is focused on selecting the best creative idea related to the bicycle industry based upon one of the Science, Technology, Engineering and Math (STEM) categories plus an open category. The winner in each category will be awarded a \$2000.00 scholarship for the institute of his/her choice to pursue a degree related to the STEM program. Students selected for second place in each category will be awarded a \$500.00 scholarship.

I have enclosed a Y Bicycle Association brochure and the 2016 High School Bicycle Design Competition flyer for your information. Complete competition information and details will be available on our website www.y-bicycle.org by September 30th.

A member of my staff will be contacting you or your designated STEM representative to further explain Y Bicycle Association and our **1st Annual Mid-Atlantic High School Bicycle Design Competition**.

If you are interested in scheduling a meeting or a presentation to your students, teachers, staff and/or Parent Teacher Organization please let my staff member know when you are contacted.

I look forward to assisting and broadening the awareness of STEM programs for our students throughout the region and provide them a viable opportunity for career development.

Sincerely,

A handwritten signature in blue ink that reads 'James DeMartino'.

James DeMartino
Founder and President
