

Children's Home Foundation Career, Vocational, and Technical Scholarships

Criteria for The Children's Home Foundation scholarships are as follows:

- Student must pursue **vocational or technical studies only**, which may require up to 2 years of study or 3 years, in the case of nursing, at schools such as Wor-Wic and Del Tech. Our goal is for students to complete certification to enable them to become immediately employed in their chosen fields.
- The scholarship is not intended for general studies majors or those students intending to transfer to a four year college.
- ***We are especially looking for students who would not otherwise be eligible for full Pell Grants. Our ideal student would not have an EFC of "0" but need financial help to supplement family contributions. Strong academic students would get special attention.***
- The applicant must be a resident of one of the nine counties of Maryland's Eastern Shore.
- The applicant must have demonstrated ability to excel in his chosen field.
- The applicant must have applied to and been accepted by an approved school within 250 miles of the Eastern Shore.
- The application must
 - Be filled out in duplicate
 - Have three personal letters of reference (not from relatives) attached
 - Include the confidential financial statement signed by a parent or guardian.

The completed application, financial statement, and letters of reference should be returned to the guidance counselor's office **no later than March 10, 2016**. It must be returned to the CHF board member listed at the bottom of the application by a firm deadline of **MARCH 15, 2016**.

CHF board members will interview the applicant at school prior to presenting the application to the CHF Board of Directors.

The Children's Home Foundation of the Eastern Shore of Maryland (CHF) is a ministry of the Episcopal Diocese of Easton. For over fifty years, CHF has granted scholarships to seniors about to complete their high school education.
