Dear School Counselor or Drama Teacher/sponsor;

Each year, The Community Players of Salisbury, Inc presents scholarships to one or two graduating seniors from local tri-county high schools. These scholarships are in the amount of \$500 each.

To be eligible for this scholarship, a student must have demonstrated an interest and an aptitude in the theatre, been involved in previous Community Players endeavors and he/she should be planning to pursue post-secondary training in some facet of dramatics. Economic need is also a factor which will be considered for eligibility.

I have enclosed one copy of the application form. Feel free to make as many copies as you need for your school. To be sure that all materials reach the Scholarship Committee in time for consideration, please have the students mail the completed application, transcripts, and letters of recommendation to:
