# Leadership Programs

2015

FOR MIDDLE AND HIGH SCHOOL STUDENTS

Washington College  
Chester town, Md

## A WEEK TO CHANGE YOUR LIFE

For 60 years, MLW has been **changing the lives** of middle- and high-schoolers with **relevant and engaging** summer residential programs that empower students to discover their own unique strengths as leaders. MLW programs foster the development of **leadership skills** and provide opportunities for students to apply those skills **right away**. Team-building games and other **fun activities** cement bonds among young leaders from **all over the state**, fostering life-long friendships that will support their leadership development for **years to come**.
